**Ninety-Nine Years of
Satisfactory Service**

**THE GREENING
NURSERY COMPANY
Monroe, Michigan**

Born 1850 - - - Still Growing

Age - - Stability - - Progress

"Born in 1850—Still Growing"

—is a slogan that is more than a "battle-cry" of business. It is a goal of attainment that involves constantly setting the stake ahead.

An old Persian Proverb says:

"My son, the priceless ingredient of every product in the market is the honorable integrity of him who make it—that quality stands for true worth. Consider well his name before you buy."

No line of human endeavor carries more of a trust of honor than does the nursery business—and knowing that trust—for ninety-nine years—Greening's Nurseries have been mixing into their products "that priceless ingredient." We have labored unceasingly to make the name Greening mean much in its application to Nursery Products. By close intimacy with the simple laws that govern an honest effort to serve as we would be served, we constantly strive to merit the continued patronage of our friends and customers.

Ninety-nine years is a long time in the span of American business life, and it is unusual for the ideals and pioneer sincerity of purpose to have been carried on for nearly a century, by one family.

You may purchase Greening Nursery Products with the full confidence that Greening's have long ago instituted knowledge for uncertainty, and that Greening Nursery Products are the result of years of knowing definitely what to do, and consistently doing it.

TERMS OF SALE AND GUARANTEE

These prices cancel all previous listings and are subject to change without notice. All offers are made subject to supply. Prices are F.O.B. Monroe, Michigan.

Orders for assorted varieties, grades and kinds of trees qualify for prices indicated under the respective quantity groups.

TERMS: Cash on delivery of order unless other arrangements have been made.

GUARANTEE

We guarantee our stock to be true to name and will replace without charge any which proves to be otherwise, it being understood that we will not be held responsible for a larger amount than the original cost of such stock.

We will replace without charge any stock purchased from us (EXCEPTING EVERGREENS) that fails to grow after it has been properly planted and cared for, and the terms of sale have been complied with, and providing we have been notified prior to August 1st following shipment.

Greening's "Super-Selected" Fruit Trees

Super selected means fruit trees propagated from parent trees that are known from actual tree performance records to possess the most desirable characteristics of the variety.

Salix niobe—Niobe Weeping Willow	
5 to 6 feet -----	\$3.00
6 to 8 feet -----	4.50
8 to 10 feet -----	6.00
1¼ to 1½ inches -----	7.50

Trees or Shrubs listed B&B means stock is shipped with
roots balled and burlapped in original earth, thus not
disturbed in transplanting.

Years of progeny test of every strain prove the merit of any Greening introduction.

SHADE TREES—(Continued)

Sorbus aucuparia—European Mountain Ash	Each
6 to 8 feet -----	6.00
8 to 10 feet -----	7.50
1 1/4 to 1 1/2 in. -----	10.50
1 1/2 to 2 in. -----	12.00

2 to 3 feet -----	1.25
3 to 4 feet -----	1.50
Philadelphus aureus —Dwarf Golden Mockorange	
12 to 18 in. -----	1.50
Philadelphus grandiflorus —Big Scentless Mockorange	
2 to 3 feet -----	1.25
3 to 4 feet -----	1.50
4 to 5 feet -----	2.00
Philadelphus lemoinei —Lemoine Mockorange	
18 to 24 in. -----	1.20
2 to 3 feet -----	1.50
Philadelphus virginale —Virginal Mockorange	
18 to 24 in. -----	1.20
2 to 3 feet -----	1.50
3 to 4 feet -----	2.00
Photinia villosa —Oriental Photinia	
3 to 4 feet -----	1.75
4 to 5 feet -----	2.50
Physocarpus opulifolia —Ninebark	
2 to 3 feet -----	1.25
3 to 4 feet -----	1.50
Prunus Japonica fl. pl. rubra —Pink Flowering Almond	
18 to 24 in. -----	1.50
2 to 3 feet -----	1.80
Prunus tomentosa —Nanking Cherry	
2 to 3 feet -----	1.50
3 to 4 feet -----	1.80
Rhamnus frangula —Glossy Buckthorn	
2 to 3 feet -----	1.25
3 to 4 feet -----	1.50
Rhodotypos kerrioides —Jetbead	
2 to 3 feet -----	1.40
3 to 4 feet -----	1.80
Rhus canadensis —Fragrant Sumac	
18 to 24 in. -----	1.40
2 to 3 feet -----	1.80
Rhus cotinus —Smoketree	
2 to 3 feet -----	2.00
3 to 4 feet -----	2.75
Rhus glabra —Smooth Sumac	
3 to 4 feet -----	1.50

Greening science in growing is
a development of nearly a
century of practice.

Spirea—Anthony Waterer Spirea	Each
12 to 18 in. -----	1.00
18 to 24 in. -----	1.25
Spirea arguta—Garland Spirea	
18 to 24 in. -----	1.00
2 to 3 feet -----	1.25
Spirea billiardi—Billiard Spirea	
2 to 3 feet -----	1.25
Spirea callosa alba—White Japanese Spirea	
15 to 18 in. -----	1.00
18 to 24 in. -----	1.25
Spirea froebeli—Froebel Spirea

A Message of Importance

Professional Landscape Service Is Yours for the Asking

You can enjoy the full and constantly growing beauty created by correct planting of needed trees, shrubs, ornamentals, and avoid the mistakes of hit-and-miss planting, when you **PLAN BEFORE YOU PLANT.**

A plan designed by our Landscape Architect will give you a properly balanced foundation planting that blends with the style of your home. It will provide for a back yard that you can "live-in" summer afternoons and evenings—a planting that will enhance the value of your property through the years. To obtain this extraordinary service, without obligation, write us for further information.

**YOUR LANDSCAPING COSTS LESS WHEN
PROFESSIONALLY PLANNED BY
GREENING'S**
